

## EDUCATING *for* ETERNITY

Educating for Eternity and Heritage Christian School is proud to partner with businesses in the Corridor to support our annual fundraising banquet. Partnering with Heritage Christian School is an opportunity that has many benefits, and is a great way to promote your business as you support growing leaders and a generation passionate for Christ!

How do you get involved? Please see the attached sponsorship packet for various options and benefits for donation. With a hefty goal of \$75,000, we're asking those in the community to be a friend to the school, while promoting your business to a large crowd of over 400 people!

Please join us as we listen to speaker Megan Fate Marshman, who delights in sharing the gospel and empowering others to do the same. As an international speaker at churches, conferences and university chapels, Megan Fate Marshman is a leading voice to this generation. She has devoted her life to loving God and empowering others to do the same. She is driven to inspire, equip, and support others in experiencing spiritual formation for lifetime faith. She is married to Randy, and they live in Long Beach, California with their son, Foster.
