## Statement of Cooperation

---

I understand that admission to Heritage Christian School is a privilege, not a right. I support the reality that Heritage Christian School seeks to provide a learning environment under the guidance of an educational program built on a literal interpretation of the Holy Bible and specific biblical principles including, but not limited to, those defined in the Heritage Christian School Statement of Faith. In addition, I submit to the school's efforts to train my child in the Bible and will encourage such training. I pledge to abstain from interference with the school in its efforts to administer discipline to my child in accordance with the standards the school has established for itself. I commit, along with my children, to support the school in word and action trusting that all faculty and staff are striving to provide what is best for everyone involved. If at any point in time, I or my child(ren) cannot or will not support the efforts of the school or the partnership that should exist between school and home, I agree to the severance of the relationship and termination of enrollment.

I acknowledge that if I apply for tuition assistance, I am still required to submit the tuition deposit. I understand that I am responsible for the remaining tuition balance, as well as miscellaneous fees and charges that accrue on my child(ren)'s account. I acknowledge that if my child(ren)'s application is accepted, I must abide by the terms set forth in the Heritage Christian School Tuition Contract.
