# ANNUAL FUND NEEDS LIST

*At Heritage, we continue to praise God for all He has provided. In honor of Him, we make the best use of the resources He has provided in the pursuit of Christ-centered excellence. We thank you for your consideration in helping provide these items that are not covered through our general operating budget.*

Tuition Assistance  
**\$55,000**

One of the most important investments you can make in Heritage is in support of tuition assistance. This year, approximately \$68,000 in contributions enabled 12% of our total enrollment to attend. As the community grows, the need for tuition assistance increases as well. Giving to the Annual Fund provides an opportunity for you to partner with community families who desire all that Heritage offers for their children but are unable to make it a reality on their own. This investment has both temporal and eternal significance in the lives of our students, their families and this community. Your support of the Annual Fund will move us closer to making Christ-centered, academically challenging education accessible to all families.

Technology Update  
**\$15,000**

Our children are growing up in a continually changing digital age and need to be well equipped to harness the power of technology in ways that are positive, productive, and glorifying to God. Thanks to the support of the 2015 Annual Fund, we were able to purchase 20 new iPads, along with mobile charging carts, to replace 10 outdated iPads. This allows us to have 1:1 in the classroom or be able to split the iPads between two classes at the same time and have 1:2. In addition, we were able to purchase mobile carts to house the laptops purchased in 2014 which will free up much needed facility space that currently houses the computer lab.

**Current needs include:**

- Upgrading the server/switches/router
- Wi-fi expansion

Co-Curricular and Extra-Curricular  
**\$6,000**

Co-curricular and extra-curricular activities and events are a direct complement to the instructional program at Heritage Christian School. The Fine Arts and Athletic programs have both been recent recipients of new equipment thanks to what God has provided through previous Annual Funds. This year, a few more items have made the list and we are looking for your support for the following:

- Athletic uniforms
- A new bass drum
- 6' round tables
