1

**An Opportunity to Give Back in a Way
that Continues to Make an Impact.**

The Annual Fund is a great way for Heritage alumni, family and friends to partner with parents and show appreciation for the biblically faithful, academically excellent foundation experienced at Heritage.

2

**An Opportunity to Embrace Excellence
in Christian Education**

Annual Fund giving demonstrates your commitment to Heritage serving as a beacon of Christ's love in the Corridor area. Our students are prepared with academic excellence, spiritual depth, and moral integrity which will prepare them for godly participation in the communities in which they live.

3

**An Opportunity to be a Steward of
God's Blessings**

Helping students discover and develop their God-given abilities is an outstanding investment in their earthly and eternal future. **No matter how much you may be able to give; your support of the Annual Fund makes a tremendous impact in the lives of each and every student at Heritage Christian School. Thank you for your generosity.**

How to give:

Cash gifts directed toward unrestricted giving are the most flexible, allowing monies to be utilized where the need is greatest; however, any gift makes a positive difference. For your convenience, we have enclosed a response form and envelope. You can also give to the Annual Fund online at www.hcs-nl.com/give.

If your company offers a matching gift program, your gift to Heritage could potentially double or even triple in value. Please contact your company's human resources office to find out if they have a matching gift program.

BIBLICALLY FAITHFUL EXCELLENCE

*But just as you excel in everything—in
faith, in speech, in knowledge, in complete
earnestness and in your love for us—see
that you also excel in this grace of giving.*

2 Corinthians 8:7

TOGETHER WE PROVIDE THE ENVIRONMENT FOR EXCELLENCE IN EDUCATION AND BIBLICALLY FAITHFUL SERVICE

The Annual Fund is the primary avenue through which Heritage fills the gap between the cost of providing an exemplary education for each student and the cost of tuition. It serves as a vital link to keep technology resources current, support co-curricular activities such as band, choir, and athletics, update curriculum and lab equipment, and so much more.

In addition, the Annual Fund provides tuition assistance to make Christian education accessible to more families in our community. All of this is integral to Heritage's mission and vision in service to Christ's eternal kingdom.

Enclosed you will find a needs list that highlights immediate needs that will improve both the quality of education and the effectiveness of business operations of Heritage Christian School. Please prayerfully consider what God is leading you to do with the financial resources He has given you.

Investing in Education that Partners with Us

Unyime and Titilayo Ituk with their four children, Kufre (HCS graduate), Eno and Idara (8th grade), and Udeme (3rd grade).

We are privileged to be part of the Heritage Christian School family. Our journey started five years ago with our eldest child, Kufre, transferring to HCS for 6th grade. Though she was receiving a good education in our local public school, we wanted something more—an education that points her to Christ. We prayerfully considered HCS, took a tour and were delighted to see that every activity and class lesson are truly Christ centered. We found the teachers fully engaged with the students and dedicated to their calling.

After our first year, we transferred our other children

to HCS so they could partake of this priceless treasure in our community. In the time we have been part of the HCS family, the first impressions we had about the school have remained true. The academic experience for our kids at HCS is second to none, but of greater importance, their souls are fed daily from God's Word. The teachers at HCS are dedicated to the well-being of our children and truly partner with parents in raising children that will glorify God.

The school, through its involvement in the community, helps the children learn the importance of serving others and how Christ has called us to serve. The school serves not just the local community but also exposes children to how we can impact the lives of people in other parts of the world through our service and giving. For example, we are sponsoring a child in Togo, praying for missionaries around the world, volunteering in the local pantry, helping with some gardening activities in our community, and engaging our kids with the elderly in the nursing homes.

We are grateful every morning as we drop off our children knowing they are in a safe environment and that values we are teaching at home are the same they are taught at school. We know that our children are being prepared and equipped to be a light wherever they go. The verse that comes to our mind is Acts 13:47: "For so the Lord has commanded us, saying 'I have made you a light for the Gentiles, that you may bring salvation to the ends of the earth.'"

HCS truly cares for the children in even more ways than we can list, and we are glad to call it home. Our prayer is that HCS will continue to grow and touch the lives of children and families in our community.
