

## Three great reasons to support the Heritage Annual Fund!

### An Opportunity to Give Back in a Way that Continues to Make an Impact.

The Annual Fund is a great way for Heritage alumni, family and friends to partner with parents and show appreciation for the biblically faithful, academically excellent foundation experienced at Heritage.

### An Opportunity to Embrace Excellence in Christian Education

Annual Fund giving demonstrates your commitment to Heritage serving as a beacon of Christ's love in the Corridor area. Our students are prepared with academic excellence, spiritual depth, and moral integrity which will prepare them for godly participation in the communities in which they live.

### An Opportunity to be a Steward of God's Blessings

Helping students discover and develop their God-given abilities is an outstanding investment in their earthly and eternal future. No matter how much you may be able to give; your support of the Annual Fund makes a tremendous impact in the lives of each and every student at Heritage Christian School. Thank you for your generosity.

## How to give

Cash gifts directed toward unrestricted giving are the most flexible, allowing monies to be utilized where the need is greatest; however, any gift makes a positive difference. For your convenience, we have enclosed a response form and envelope. You can also give to the Annual Fund online at [www.hcs-nl.com/give](http://www.hcs-nl.com/give). If your company offers a matching gift program, your gift to Heritage could potentially double or even triple in value. Please contact your company's human resources office to find out if they have a matching gift program.

# 2021 ANNUAL FUND

## Biblically Faithful Excellence

But just as you excel in everything—in faith, in speech, in knowledge, in complete earnestness and in your love for us—see that you also excel in this grace of giving.

2 Corinthians 8:7

TOGETHER WE PROVIDE  
THE ENVIRONMENT FOR  
EXCELLENCE IN  
EDUCATION AND  
BIBLICALLY FAITHFUL  
SERVICE

The Annual Fund is the primary avenue through which Heritage fills the gap between the cost of providing an exemplary education for each student and the cost of tuition. It serves as a vital link to keep technology resources current, support co-curricular activities such as band, choir, and athletics, update curriculum and lab equipment, and so much more.

In addition, the Annual Fund provides tuition assistance to make Christian education accessible to more families in our community. All of this is integral to Heritage's mission and vision in service to Christ's eternal kingdom.

Enclosed you will find a needs list that highlights immediate needs that will improve both the quality of education and the effectiveness of business operations of Heritage Christian School. Please prayerfully consider what God is leading you to do with the financial resources He has given you.

## Investing in Education that Partners with Us

Our family has always believed very strongly in the value of Christian education and we are very fortunate for Heritage Christian School. Even before we had children and were still pursuing our own education in Iowa City, we began to hear about the history and reputation of HCS from other families in the area. We heard about the mission of HCS from members of our church and other friends. They enthusiastically shared about the school's academic excellence, biblical focus, and the small size and caring environment. It was at this time that we began a desire to learn more about the school by going to an Educating for Eternity event. Because of the message, stories, and relationships we began to build by attending EFE, we began to support HCS, and have now done so for many years.

We now currently have three children that attend HCS, and we are so very grateful for the school. Primarily, we believe in HCS because of the biblical worldview by which the challenging academics are taught. Our children and many others are blessed with the opportunity to explore God's creation, His grandeur, and His redemptive story in many vivid ways that we don't believe exist in any other setting. Moreover, HCS students are also challenged to see how they are part of these and how it all has meaning for them too. One of our favorite parts of HCS is that our kids are constantly in the Word, building a foundation for life on the promises spoken in scripture.

We also appreciate the reputation for and continued focus on academic excellence. In addition to the favorable comparisons to other schools across the state, we routinely hear from other parents and HCS alumni how students from HCS are exceptionally well-prepared for secondary education. We have seen this academic focus delivered through the relational staff that have loved our children as they challenge them. The small class sizes also enable a personal and trusting environment. There are

Scott and Nicole with their three children,  
Lauren (5th), Levi (3rd), & Ethan (K).

also many creative learning opportunities including wax museum/character presentations, writing projects, field trips, and career exploration fairs, to name a few.

Finally, we are blessed and grateful for the loving support of the HCS community. While our children have made wonderful friendships with fellow classmates and teachers alike, we as parents have also been able to connect with other families and develop meaningful relationships. In particular, the support of HCS has been made so very real to us this last year as our family went through a very tragic time. The HCS community helped us navigate the difficult circumstances by bringing us food, offering rides, offering to watch our kids, and really helping us out any way we might need. But more than anything, we felt every day the prayers of other believers lifting us up, caring for our children, and being the hands and feet of Christ.

We are so very grateful for HCS and we know it has been the best choice for our family and it is a blessing we experience every day.

-Scott & Nicole Kallemeyn
