# [h] ANNUAL FUND NEEDS LIST

*At Heritage, we continue to praise God for all He has provided. Please join us in our mission of serving Christ by partnering with parents to provide a biblically faithful and academically excellent education by making a contribution towards the following needs below which are not covered by tuition.*

## Bridging the Gap - Tuition Assistance **\$140,000**

Currently Heritage provides approximately \$125K in tuition assistance to families. The need for tuition assistance has steadily increased over the years as the community grows and word spreads about what Heritage has to offer. Giving to the Annual Fund provides an opportunity to partner with community families who desire what Heritage offers their children but are unable to shoulder the full cost of tuition.

## IT and Security **\$63,650**

The cost of maintaining our existing IT, particularly chromebooks for students and laptops for teachers, continues to come at a substantial cost. We are balancing the need to periodically replace older machines in our fleet with the need to purchase new/additional units for the younger grades. In addition, the cost of keeping up with technological and security/safety advances will ensure that our system will be sound for the near future. These upgrades include improvements to our network as well as replacing our phone/intercom system.

## Teacher Professional Development Fund **\$20,000**

While the school does budget for Professional Development for teachers, we want to invest further into the most important resource for the educating and discipling of our children at Heritage. Additional funds for Professional Development give the teachers opportunity for further training and resources for implementing such things as Teaching for Transformation.

## Equipment (Classroom, Gym, Outdoor) **\$14,300**

These funds would help to purchase some much needed furniture for the classrooms, as well as an upgraded scoreboard for the gym. In addition, funds would be used to purchase additional outdoor equipment such as benches and play equipment.

*Please stand with us as we train up this generation of biblically faithful leaders. Help us spread the influence of the gospel to a greater number of families in this community. Your prayers and generous giving make a lasting difference in our students' lives. Thank you for your past support! Please prayerfully consider assisting this year's vision by contributing to the Annual Fund 2022 today.
