# WHAT IS THE ANNUAL FUND?

The annual fund is the primary avenue through which Heritage **fills the gap** between the cost of providing an exemplary education for each student and the cost of tuition.

In the past it has been vital in providing tuition assistance to make Christian education accessible to more families in our community, keeping our technology and security resources current, providing funds for professional development, supporting our co-curricular activities such as band, choir, drama, and athletics, and purchasing much needed furniture and equipment for classrooms, offices, and outdoor areas.

Enclosed you'll find the **Needs List** that highlights immediate needs that will improve both the quality of education and the effectiveness of business operations at Heritage. Please prayerfully consider how you can contribute in support of the mission of Heritage Christian School.

## PARENT PARTNERS

Levi and Allie Spann are parents to Benjamin (6th grade), Landon (4th grade), Aiden (1st grade), and Aubrianna (Kindergarten). They first heard of Heritage Christian School through their family's church connection group leader, Kristin Smith, who began talking so highly of it and how she loved teaching there!

They decided to check it out in late September of 2023 and instantly knew it was God opening a door for their family. The head of school, Mr. Goodbar warmly welcomed them and with the help of Iowa's Education Savings Accounts, they enrolled their two oldest children.

The Spann family was instantly impressed with the dedication of the teachers as they went above and beyond to help their boys transition into a school setting for the first time since homeschooling!

They love that Heritage is a safe place that will truly partner with parents to provide a **BIBLICALLY FAITHFUL and ACADEMICALLY EXCELLENT** education.

Now, the Spanns have all four of their children enrolled at Heritage and each of them is thriving in their school work, growing in their faith, and building lasting friendships along the way.
